DIRECTOR OF PUBLIC INSTRUCTION
3-FEB 1955
MADRAS

According to the instructions issued by Government in their memorandum cited above, the pay of three of the Municipal Teachers was refixed with effect from 1-1-1947 after taking into account the service put in under the District Board of South Kanara from 1-4-1934 for purposes of advance increments in the revised scales of pay. Subsequently the Government in their memorandum No.21367/53-2, Edn., dated 8-6-1953 have informed the President, District Board, South Kanara, that as the teachers in Coondapoor, Udipi and Mangalore Taluks were getting regular scales of pay prior to 1934, their previous service in the above taluks might be counted for the purpose of weightage. In view of the above orders of Government, I request that the Government may kindly be pleased to pass orders on the following points:-

(1) whether the instructions in Government memorandum No.21367/53/2/, Edn., dated 8-6-1953 applies to municipal teachers who were formerly working under the defunct Taluk Board of Udipi and subsequently transferred to the District Board of South Kanara and then to the Udipi Municipality in the year 1935 and whose pay were refixed after counting the service put in under the District Board from 1-4-1934 according to the instructions issued in Government memorandum No.11940 D/52-7, Edn., dated 5-5-1953.

and

(ii) In case it applies, whether the service recorded in the Teachers Training Certificate can be taken into account for the purpose of weightage even though there are no such entries in the service registers of the teachers.

SUBMITTED.

I recommend that since the teachers under the District Board, South Kanara were allowed to count their service prior to 1934 for purposes of weightage, the teachers under the Municipal Council, Udipi may also be allowed the same concession and that the service recorded in the Trained Teachers' Certificate of Teachers may be allowed to be taken into account for the purpose of weightage even though there are no such entries in the service Registers of the teachers. I am also enclosing herewith a copy of the remarks of the Examiner of local Fund Accounts in the matter together with 3 Service Registers of teachers.

The Service Registers of the three teachers in question do not bear any evidence to show whether they were paid in any regular scales of pay prior to 1.4.1934. But on the anology of the cases of teachers under the South Kanara District Board who were allowed to count their services prior to 1934 for purposes of weigh tage as the Teachers in Udipi, Mangalore and Coondapoor Taluks were in receipt of regular time scales of pay the services of the teachers in question, prior to 1934 may also be counted for purposes of weightage subject to the sanction of Government.

The Commissioner may also be requested to make entries of the services of the teachers with reference to the entries in their Trained Teachers Certificate for purpose of weightage.
